1. What this policy covers

This policy covers your personal belongings inside your home, and while they're temporarily away from it, against the causes listed in Section 3.

2. Deductible

Each claim carries a deductible of $500. We pay the covered loss minus the deductible. One event is one claim, however many items it damages.

3. Covered causes

Fire and smoke, theft, vandalism, and water damage from burst pipes or appliance leaks are covered.

4. Bicycles

Bicycles are covered up to $1,500 each when stolen from a locked building or locked to a fixed object. Theft from an unlocked car isn't covered, and neither is a bicycle left unlocked anywhere.

5. Electronics

Laptops, phones, and tablets are covered up to $3,000 in total per claim. Accidental damage, like a dropped phone, isn't covered.

6. What isn't covered

Outside flooding, including rising water from a river, storm surge, or overflowing drains, is excluded. So are earthquakes, normal wear, and loss from war.

7. Jewelry and valuables

Jewelry, watches, and furs are covered up to $2,000 in total. Items worth more than $1,000 each need to be listed on a schedule to be covered in full.

8. Making a claim

Report a claim within 30 days of the loss. Claims reported later can be denied. For a theft, file a police report and include its number in your claim.

9. Living costs after a loss

If a covered loss makes your home unlivable, we pay reasonable extra living costs for up to 12 months.

10. Cancelling

You can cancel at any time. We refund the unused part of your premium.
